

## FINANCIAL INFORMATION FOR STUDENTS

### 2023/2024

This sheet summarises the charges for the academic year 2023/2024, from 1.9.2023.

All charges are revised every year. No guarantee is given to maintain or hold increases at any particular level, although the College will always strive to minimise increases. Students should assume that rents and charges will increase by at least inflation.

The College cannot and does not give any undertaking of any kind, which would prevent its Governing Body from introducing new charges not shown here or from increasing charges in the future.

All amounts shown here are in pounds sterling (£). The pound sterling is the only currency accepted by the College. Overseas students need to bear in mind that exchange rates can fluctuate up as well as down. The College cannot and does not alter its fee structure to reflect exchange rates since it has no control over these external events. Therefore, it would be prudent for overseas students to take into account the possibility of an unfavourable movement of exchange rates and to take appropriate precautions.

## PAYMENT OF FEES AND CHARGES

Invoices for University Composition Fees and College Fees are presented at the start of each academic year, on or just after the first day of full Michaelmas term.

Invoices for College charges are presented at the beginning of each full term or monthly as appropriate.

*Invoices are sent as a pdf attachment to the @cam.ac.uk email address for each student.*

Invoices are payable immediately, but **the College allows 14 days for students to prepare and transfer their payments**. Students with a valid reason to delay payment must contact the Student Finance Officer or Assistant within 14 days of receipt of invoice ([charges@st-edmunds.cam.ac.uk](mailto:charges@st-edmunds.cam.ac.uk) or [Student.finance@st-edmunds.cam.ac.uk](mailto:Student.finance@st-edmunds.cam.ac.uk)).

Students experiencing financial difficulties after arrival in Cambridge should consult with their Tutor and/or the Finance Tutor, Dr Peter O'Donnell ([financial.tutor@st-edmunds.cam.ac.uk](mailto:financial.tutor@st-edmunds.cam.ac.uk)). Failure to do so may result in interest charges of 1.5% per month being levied on overdue accounts.

Outlined below are brief descriptions of the charges levied to students, the current amount and the frequency of the charge.

##### **Alumni Society fee**

The Alumni Society fee provides lifetime membership of the Alumni Society. Half of the charge goes directly to the Alumni Society and the remainder is used to provide direct administrative support to the Alumni Society. £52 is charged once only.

##### **Combination Room (CR) Dues**

The Combination Room is a student association which promotes the social welfare of its members. The College collects a termly subscription of £25 from each student. This is passed to the CR Committee.

##### **Kitchen Minimum Billing (KMB)**

The College makes a compulsory charge to all students for the use of the dining hall and coffee shop. This is charged at the beginning of each term and a credit is placed on the student's University card. The University card acts as a meal card and the credit can be used to purchase:

- Informal meals: breakfast, lunch, dinner
- Formal meals: Formal Hall and Guest Nights

- Snacks and drinks, during opening hours
- Graduation lunches and teas

Once this credit has been used, students may pay for further meals by 'topping-up' via the St Edmund's Catering app.
